STATEMENT OF SENATOR MIKE MANSFIELD (D-MONT)  
AMENDMENT TO GUN CONTROL ACT

COPY

Mr. President, I have sent to the desk legislation which would amend the Gun Control Act of 1968 to provide for certain exemptions for persons who test firearms. The intent of this legislation is to remove a cumbersome technicality in the present law.

This legislation, identical to S. 4604, of the 91st Congress, would exempt the transportation, shipment, receipt or importation of firearms or ammunition under the present act, as long as it is intended to be used solely for testing any firearm or ammunition under the auspices of a professional journal or sporting magazine.
